

## SAS 2009 - 2010 - Departmental, Faculty or Staff User Acceptance Form Expires September 2010

The license program allows you the right to use the software until the above license expiration date. This software is to be used for University of Iowa related business. This license is good for the software installation on one machine or the number of licenses purchased. After purchasing a time-expiring maintenance license, you will be able to upgrade your software license at no charge until the license expiration date, but may need to purchase the media. You will be required to renew your maintenance or uninstall the software after the expiration date. You will receive license files that will allow the installation of these products. You are required to keep it secure and will be held responsible for unauthorized use.

- I understand that this is an expiring license and must be renewed or uninstalled immediately after the license expiration date.
- I agree to purchase the license appropriate for my usage (Teaching and Research = classroom instruction, coursework, non-commercial research, Administrative = departmental purchase only).
- I understand that this Software is for my use only and I may not loan or duplicate it for anyone else.
- I understand that this Software is for University of Iowa related activities.
- I understand that the license file is for my use only and I may not share it or copy it.
- I understand that support will be provided by SAS web self support or the ITS Help Desk. Support is not provided by the check out or purchase site.
- I understand that this information is being recorded and maintained by ITS for accounting purposes.
- I understand that we are not entitled to use the software if we are not a current student, faculty or staff at the University of Iowa.
- I understand that we are not licensed to use this software outside of the United States.
- I understand that home (non-concurrent) use is allowed for Faculty and Staff if they are the sole user of the licensed system on campus (non shared system) and the system is a personally owned system. The "Home Use" box must be checked on the User Acceptance Form.
