

Campus Software Program

SPSS Windows 2009- 2010
Expires December 2010
University of Iowa
Academic User Acceptance Form

The license program allows you the right to use the software until the above license expiration date. This software is to be used on University of Iowa owned computers or faculty/staff owned systems for University of Iowa related business. This license is good for the software installation on one machine or the number of licenses purchased. After purchasing a time-expiring maintenance license, you will be able to upgrade your software license at no charge until the license expiration date, but may need to purchase the media. You will be required to renew your maintenance or uninstall the software after the expiration date.

Software used for academic use and campus internal business/administrative internal business. Use of this software needs to be for "ACADEMIC USE", meaning an action or task directly and solely related to the course material of an ACADEMIC INSTITUTION. Non-academic clinic or hospital use will require a non-academic license. If you are not using the software for Academic Use, please contact its-software@uiowa.edu and request a non-academic license, specify the number or installs and the platform that you will be using the software on.

You will receive license codes that will allow the installation of these products. You are required to keep it secure and will be held responsible for unauthorized use.

- I understand that this is an expiring license and must be renewed or uninstalled immediately after the license expiration date.
- I understand that this Software is for my use only and I may not loan or duplicate it for anyone else.
- I understand that this Software is for University of Iowa related activities.
- I understand that the license file is for my use only and I may not share it or copy it.
- I understand that support will be provided by the ITS Help Desk. Support is not provided by the check out or purchase site.
- I understand that this information is being recorded and maintained by ITS for accounting purposes.
- I agree not to create, or attempt to create or permit or help others to create, the source code from the Software furnished.
- I agree not to create source code, reverse engineer or decompile the Software.
- I agree that my use is Academic.
