

**MathSoft, Inc. (dba Insightful Corporation) Academic Site License
Departmental/Faculty/Staff License Agreement 0910**

This is an Agreement between the individual listed below, at the University of Iowa (hereinafter referred to as "The Institution") located in Iowa City, Iowa (hereinafter referred to as "The Site") and TIBCO Software, Inc.

This Agreement grants The Faculty or Staff Member and the Institution a limited, nonexclusive, nontransferable license to use the Software through the date specified on the license document (expiration date of the annual renewal for the university site license).

The S-PLUS Professional Software is licensed as follows:

The Software is licensed as follows:

- a) The Software may not be used by any non-academic personnel.
- b) The User agrees to renew this license annually for as long as The User wishes to run the software or the User leaves the University of Iowa.
- c) If the license is not renewed, users must uninstall the Software.
- d) The Software and the documentation may be used *for educational purposes only*; the Software may not be used in a commercial, governmental, or non-educational non-profit setting;

I understand the terms of TIBCO Software, Inc., S-PLUS licensing agreement, and will comply with these terms. I am currently affiliated with the University of Iowa, and will provide proof of current status upon the request of the University.
