- I understand that the Software is for current, registered University of Iowa students only.
 - I understand that this Software and the Special Product Key are for my use only.
 - I understand that the Microsoft Windows product licenses are for upgrades only. Users must have a Microsoft Windows version or Mac OS on their system that they are upgrading.
 - I understand that I am only eligible to purchase one copy of each software title included in this licensing, this means you can only buy one copy of the OS (32 or 64 bit, not both). (Exceptions will need to go through the ITS Campus Software Program Office and at times Microsoft.)
 - I understand that I must be compliant with the terms on the reverse page and the End User License Agreement.

UI BkStore Staff Initials _____

Q: What if you have purchased the media in the past and need another copy?

A: Please request the Duplicate Exception Form from the UI Bookstore.

This software is made available to you because The University of Iowa has purchased the Microsoft Campus Agreement effective through August annually. This document will be valid for this license period and any subsequent renewals. You do not own the license or the CDs, nor are you authorized to copy the media. You will be required to remove the software from your machine if the Campus Agreement is not renewed by The University of Iowa or if you leave the University.

If you graduate from the institution during the agreement period, the Software license will convert to a perpetual license (meaning you own the Software) as verified in your Student License Confirmation. The document is proof of Software ownership. You will need to obtain this license before leaving the campus at graduation time.

- I have read and will abide by the license agreement associated with this Software.
- I understand that this Software is for University of Iowa students.
- I understand that this Software and the Special Product Key are for my use only and I may not loan or duplicate it for anyone else.
- I understand that the Microsoft Windows product licenses are for upgrades only. I am licensed for a Microsoft Windows version prior to this install.
- I will remove the software from my home computer if I or the computer leaves my possession or the University of Iowa.
- I understand that if the University of Iowa does not renew this agreement or otherwise purchase perpetual licenses for the Software, then I must delete or remove this Software from my computer.
- I understand that I am installing the Software at my own risk. I will review the known issues and minimum requirements on the ITS Help Desk web site, the Microsoft web site or with my college support staff (departmental installs).
- I understand that support for my home install will be provided by Microsoft web self support or the ITS Help Desk. Support is not provided by the check out or purchase site.
- I understand that I am only eligible to purchase one copy of each software title included in this licensing, this means you can only buy one copy of the OS (32 or 64 bit, not both). (Exceptions will need to go through the ITS Campus Software Program Office and at times Microsoft.)
- I understand that this information is being recorded and maintained by ITS for accounting purposes. The information will not be shared outside of the university.
- I understand when purchasing from the University of Iowa Bookstore, there are no returns. This is a vendor policy, it is not the UI Bookstore policy.
- I understand that I am responsible to contact ITS to get my perpetual license when I graduate.
