

# Campus Software Program

## Autodesk Design Institute Annual License User Agreement

**Expires July 2010**  
**University of Iowa**

### License Restrictions/Notes

- These licenses can only be used on University of Iowa owned, campus systems.
- You are not authorized to duplicate the software or use of the software for personal or profitable business.
- One system install or concurrent license per license purchased.
- No reverse engineering, decompiling or disassembling the software.
- No altering software, labels or documentation.
- License Agreement included in media binder.
- User acknowledges that in the event of software malfunction or failure, the License Agreement limits the Licensor's liability to the amount of the license fee. In the event that damages from software malfunction or failure exceed that amount, the department/organization will assume responsibility for such damages.
